

# Castle Safety Rules

To ensure the safety of everyone using the hire equipment, the following safety rules, as well as those in Jump Easy's Safety Pack, must be followed at all times:

- A **responsible adults** (18 years and over) must closely **supervise** the inflatable and its safe use at all times
- Adhere to any manufactures rules printed on the inflatable
- Do not operate if winds exceed 40km/hr, or in heavy rain, or during a storm- please refer to emergency procedure below and in the Safety Pack
- No shoes, animals, chewing gum, face/body paint, food/drink, glasses, glitter, hot implements, jewellery, sand, sharp or hard objects or silly string water to be on or around the course
- **Riders must be of similar size/weight.** No substantial size/weight differences between riders and no adults permitted on the inflatable unless in an emergency
- Maximum rider weight of 82kg per person. 480 kg total maximum weight on the unit.
- Only allow a maximum of 6 riders at one time or as directed by installer (this can depend on specific inflatable and age/size of children using it)
- No riders with current or pre-existing injuries, or physical or mental impairments that affect their ability to use the inflatable safely or endangers others. No riders under influence of drugs or alcohol.
- Please ensure spectators are at a safe distance from the inflatable (minimum 1 metre away) and that users/spectators are not congregating at entrance or exit of unit
- **Ensure the inflatable and safety mats stay in the installed position.** Check repeatedly through the hire for any movement, particularly for indoor hires. Do not allow riders to jump/ climb/ sit on the entry/exit or any walls or basketball ring
- No fighting, rough play, flips, somersaults, aggressive play or extreme horseplay permitted

## SLIDES:

- Only 1 rider at the top of the slide platform at any one time
- Riders must go down the slide **FEET FIRST** with hands on their lap. Riders to go down the slide 1 at a time only. Riders to only go down the slide when the landing area is clear. Do not go down straight after a rider, wait until they have safely exited the area

**Covid safety- Please adhere to current recommendations from SA Health and/or the Department of Education SA that may be applicable to this hire situation**

**In the event of Emergency such as bad weather, the castle is deflating, power outage etc: Calmly and efficiently remove riders away from the inflatable immediately, take them to a safe location, turn off the inflatable and call Jump Easy. For full emergency procedures please see your 'Safety Pack'.**
