

Obstacle Course Safety Rules

To ensure the safety of everyone using the hire equipment, the following safety rules, as well as those in Jump Easy's Safety Pack, must be followed at all times:

- 2 **responsible adults** (18 years and over) must closely **supervise** the obstacle course at all times, one at the entrance and one at the exit (or as directed by the installer)
- Adhere to any manufacture rules printed on the inflatable
- Do not operate if winds exceed 40km/hr, or in heavy rain, or during a storm- please refer to emergency procedure in Safety Pack
- No animals, chewing gum, face/body paint, food/drink, glasses, glitter, hot implements, jewellery, sand, sharp or hard objects, shoes or silly string water to be on or around the course.
- **Riders must be of similar size/weight.** No substantial size/weight differences between riders and no adults permitted on the inflatable unless in an emergency
- Maximum rider weight of 82kg per person. 164 kg total maximum weight on the unit
- Maximum of 2 users to be on obstacle course at one time
- No riders with current or pre-existing injuries, or physical or mental impairments that affect their ability to use the inflatable safely. No riders under influence of drugs or alcohol.
- No fighting, rough play, flips, somersaults, aggressive play or extreme horseplay permitted
- Please ensure spectators are at a safe distance from the inflatable (minimum 1 metre away) and that users/spectators are not congregating at entrance or exit of unit
- Ensure the inflatable and safety mats stay in the installed position. Check repeatedly through the hire for any movement, particularly for indoor hires. Do not allow riders to jump/ climb/ sit on the entry/exit or any walls.
- NEVER allow users to climb or jump over walls or sit on entry/exit
- **No running back or hiding in the course**
- Send the next users through only when the first 2 safely exited the inflatable
- **SLIDES:** riders must go down one at a time and feet first only. Do not stand on or jump off the top of slide. Only go down if the landing area is clear.

Covid safety- Please adhere to current recommendations from SA Health and/or the Department of Education SA that may be applicable to this hire situation

EMERGENCY- In the event of emergency such as adverse weather please calmly and efficiently remove children from the inflatable, turn off the power and allow to deflate. If power is interrupted please remove children from inflatable and access power before reinflating.
